

F.I.N.E.

Too Close To Touch

I'm done with everybody calling me crazy
I'm good, I'm good, I don't need no one to save me
I am F-I-N-E, fine, guess I'll say it one more time
I am F-I-N-E, fine, can we put this all behind?

You check my pulse to see
If I'm alive, I am
At least I think I am tonight
But you're looking at me like
You've seen a ghost like all
The color's left my eyes

I'm just fucked up, insecure, neurotic, emotional
I'm fucked up, insecure, no problem, embrace it all

I'm done with everybody calling me crazy
I'm good, I'm good, I don't need no one to save me
I am F-I-N-E, fine, guess I'll say it one more time
I am F-I-N-E, fine, can we put this all behind?
Behind, can we put this all behind?

I check my bones to see
If I'm intact, I am
At least I think I am tonight
I get it, you're sending
A message, received it loud and clear
But know I still have time

I'm just fucked up, insecure, neurotic, emotional
I'm fucked up, insecure, no problem, embrace it all

I'm done with everybody calling me crazy
I'm good, I'm good, I don't need no one to save me
I am F-I-N-E, fine, guess I'll say it one more time
I am F-I-N-E, fine, can we put this all behind?
Behind, can we put this all behind?
(F-I-N-E, fine, guess I'll say it one more time)
Behind (I am F-I-N-E, fine), can we put this all behind?

F-I-N-E, fine
F-I-N-E, fine, fine
F-I-N-E, fine
F-I-N-E, fine, fine

I'm done with everybody calling me crazy
I'm good, I'm good, I don't need no one to save me
I am F-I-N-E, fine, guess I'll say it one more time
I am F-I-N-E, fine, can we put this all behind?
Behind, can we put this all behind?

(I'm just fucked up, insecure, neurotic, emotional)
Behind
(I'm fucked up, insecure, no problem, embrace it all)
Can we put this all this all behind?
(I'm just fucked up, insecure, neurotic, emotional)
All behind
(I'm fucked up, insecure)

Can we put this all this all behind?
