

# Don't Suck Dick

Too \$hort

In her face...

I know this bitch, she a bad little bitch  
I heard she don't suck no dicks  
I'm just tryna fuck real quick  
I don't care, she a bad little bitch

Shoutout to the girls that don't suck dick  
And all the good girls that don't get fucked quick  
You can keep your little pussy and your clit  
You're probably full of shit, bitch, you used to be lit  
Now you wanna flip the script  
It's on the Internet, bitch, they said you used to strip  
Get your grip, I ain't gon' trip  
If you in the back room sucking dicks in the VIP (VIP)  
I know I'm crazy, I'm just talkin' shit  
But I can't stop staring at your lips  
I wanna bang on 'em like the Crips  
You said eat your pussy if a nigga wanna hit? (Bitch)  
68 or 69, what's the number?  
Let's make a bet—what's the over, what's the under?  
Who gon' get some head—me or you?  
If you do me first, then I'ma do you too

I know this bitch, she a bad little bitch  
I heard she don't suck no dick  
I'm just tryna fuck her real quick  
I don't care, she a bad little bitch  
She a bad little bitch  
She a bad little bitch  
I heard she don't suck no dick  
I don't care, 'cause she a bad little bitch

Some of these super fine chicks  
They don't ever suck no dicks  
They might let you fuck 'em real quick  
You can wave it all around, it won't get sucked or licked  
Sometimes you gotta do things different  
That's why I'm not always pimpin'  
Sometimes I'm just an ice cold player  
A lotta bad bitches love me everywhere  
I be hanging with them supermodel types  
Niggas like that call 'em "wives"  
Niggas like me call 'em "bitch"  
I don't ever give 'em gifts, I just give 'em that dick  
It's cool, baby, if you don't wanna lick it then  
I'ma lay you on your back, bitch, and stick it in  
I'm Short Dog, I love getting sloppy head  
When I cum, I look down, her whole top is wet

One to her muthafuckin' face, nigga  
Charge it to the game, bitch, get a towel  
Get a towel, bitch, you look great  
Wipe that shit up
