

## I Luv

## Too \$hort

I love (I love)  
I love it (I love it baby)  
Love this (I love it, love it)  
Love, oooooohh!  
Love this (I love it girl)  
Love (Oh you really want it girl?)  
Love (I love this shit)  
Love this (Be-atch!!)

She was a betty I done knew back in the day  
Little scary lil' bitch from around the way  
Plus she sucked and fucked all day  
With a little bit of Alize (Alize..Alize..)

I put it down for these young hoes,  
Get the pussy like I'm married  
And send her home with the cock swoll, did her pops know?  
Little girl that he tryna protect was in the crib doin porno

Fo' sho' baby, I know these hoes  
Step up too 'em and show these hoes  
I never wonder to myself "Would she?"  
I get deep in her mind and her pussy

Who dat? She was the world's greatest, dick sucker  
Play the note with the tongue while, finger fuck her  
I hit it in the dark in the back of the Benz  
Got my dick in her ass, front of one of her friends

Face down, ass up -- bitch be still whikle I bust this nut  
I rock hard while I'm in these guts  
Wipe my dick and then that's enough

She wanna kiss me after she done lick me  
Slap the drunk, you know the ho got Tinesi

Daz, this punk bitch wanna get with me  
Cuz the ho lookin for a P-I-M-P

You know the ho don't know no better  
I would rough ride ya ass, but the magnum's better  
I know a lot of niggas done paid ya bitch  
Remember one thing, I got a major bitch

Pull up on the stroll, in the fo' door Caddy  
Slapped the bitch, she hollered "No, no daddy!"  
I got the cash, if she don't that's her ass  
So quick, so fast

I love gettin my head blown  
I love gettin my nuts rubbed  
I love gettin my dick licked  
I love gettin my nuts sucked  
I love gettin my pussy ate  
I love when niggas see me masterbate  
I love it when you nut all in my face  
I love it baby, but I can't stand the taste

I once knew a bitch named Erica  
Way back in the day, she had a geri curl  
I made her suck my dick on the ferris wheel  
Been pimpin all my life, big player for real

I said "Come on girl, you know how it's 'sposed to be"  
It's me and you, lets fullfill my fantasy  
Come on come on baby, won't you get the best of me  
I SMELL PUSSY!!

Get T double D on the double stack  
And one dose of the dick, she be doublin back  
See me, I've been known to shit on hoes  
Cuff her cold, straight spit on hoes

I been known to step on a bitch  
Put a thumb in your ass, while I slap your clit  
But ain't no way that I'ma lick yo' shit  
Tell 'em what she is Short Dog (Be-itch!)

I love, gettin my thug on  
No dirty joints, in this cool zone  
I love gettin my thugs on  
Everything that's copper, put dubs on  
I love this..

When I'm at the club  
See a girl get freaky and I slap her butt  
She try to say "Short Dog, that's enough"  
You know I love it little mam, can't pass it up  
Cuz I..

[Chorus to fade]
