

# International Player

Too \$hort

(Todd) Whassup?  
(Who are all these girls with you?)  
These are my ladies  
(So which one's your girlfriend?)  
They're all mine baby (all of 'em?) Yup!  
(Hey sexy!) Whassup?

I love women and they love me  
I ain't really trippin on nationalities  
Black girls, white girls, mix 'em up  
Half-breeds, I can't get enough  
In the Bay, where the players play  
We keep it international every day  
Asian girls are so terrific  
What'chu mean \$hort? Be mo' specific  
Filipino, Japanese  
Cambodian, Thai and Vietnamese  
Malaysian girls from Singapore  
China dolls, I'll name some more  
I know Korean chicks, girls from Laos  
It's like the United Nations at my house  
I got Indian girls from India  
They like to make out and get finger fucked

You look like you come from Guatemala  
El Salvador or Nicaragua  
Sounds to me like you're speakin Spanish  
You're talkin but I cain't understand it  
You ain't no Mexican  
I don't care, let's have sex again  
Everything I do, I do the best  
Got a big booty girl from Budapest  
If she ain't fine I say HELL NO  
Give me that Rio de Janeiro  
Brazilian bodies, tall exotic  
I want all the hotties you call erotic  
Black girls get mad sometimes  
They tell me keep my ass in line  
But I know how to pass the time  
You can sell that pussy but the cash is mine

Where you from baby, Argentina?  
You a movie star? I thought I seen her  
Called her Eva, but it didn't work  
She was swingin that ass in a mini-skirt  
Well let me know what'chu wanna do  
You beautiful, look like you from Peru  
A good girl or a nasty whore  
That's all I'm asking for  
She can be Australian, Canadian  
Persian, Armenian  
Ethiopian, Somalian  
Spanish, Italian  
She can be Cuban, Puerto Rican  
Haitian, or Jamaican  
In the Bay where the players play  
We keep it international, every day

[girls keep talking until the song's end]
