

Keep it Going

Too \$hort

Marz

Man, let's keep it goin'
Let's keep it pourin'
Man, let's keep it goin'
You know I be on it
We gon' live for the moment

Man, let's keep it pourin'
Man, let's keep it goin'
Drink, you know I be on it
We gon' live for the moment

I got the sack on me
Shawty said she fuck with a nigga 'cause I got a lot of racks on me
Know a nigga be on the drank, I keep the AK on me
Know a lot of nigga got smoke, gotta keep the GAC on me

Know that my city be hot, uh
I gotta keep me a Glock, yeah
You screamin', 'Fuck the cops'
These niggas worse than us

Know that the streets ain't safe
I gotta keep me a Drayton
My nigga, I gotta stay high
So I don't carry no case

We gon' make this money double
Don't wanna get in trouble
Ain't fuckin' with them courts
Can't catch me in this Porsche
They don't see me in no streets
I don't talk to police
I ain't sellin' no dope
I'm just rappin' on these beats
Player, that's what I do
I'm just spittin' game
Makin' change while I make my name
You see me do it, don't say I can't
'Cause I got it all and earn everything
I'ma keep goin', can't stop now
Keep flowin', I'm on top now
How I get it? Don't ask me how
This money's a bitch, she gets passed around

Man, let's keep it goin'
Let's keep it pourin'
Man, let's keep it goin'
You know I be on it
We gon' live for the moment

Man, let's keep it pourin'
Man, let's keep it goin'
Drake, you know I be on it
We gon' live for the moment

I work hard to get where I'm at
Proud to be a real player, Mac
Ain't no way you could've held me back
'Cause that's what I chose
I stand on that, I be workin'
That's all I do
All my homies get money too
Seems like we can't get enough
We make a lot and then spend it up
Bought it just to say, 'Yeah, I got it'
Talk loud and then brag about it
Fuck bein' broke
See these pockets? Flip some shit
Spend the profits, run it back
Get some more, you gon' need it later
What you spendin' for? You brainwashed?
The self-destruct, if your brother's down, you gotta help him up

Man, let's keep it goin'
Let's keep it pourin'
Man, let's keep it goin'
You know I be on it
We gon' live for the moment

Man, let's keep it pourin'
Man, let's keep it goin'
Drake, you know I be on it
We gon' live for the moment
