

## Nasty Dance

Too \$hort

In Alanta, you know  
They be shakin'  
They workin'  
The strip clubs  
Big money, they be making  
Like Louisiana girls  
Redbones all pretty and fine  
They be poppin' em' pussy for a long time  
Just like in Texas  
Yea they really get down  
Out in Houston and Dallas  
And all em' little towns  
Where the girls bend over  
And do that nasty dance  
Girl, you got a whole lot of ass in em' pants  
Big booty's  
Was all I saw  
When I was rolling thru the rock  
In Arkansas  
It was the same way in Pine Bluff  
If you like tiny butts  
Don't look for em' there  
Cause' you never gonna find enough  
All I seen was fat asses  
Yelling come hit me  
Even with my pops  
From out in Mississippi  
You should see em' girls  
All do that nasty ass dance  
Girl poke that thang out  
I got it all in my hands  
Bitch (bitch)

Do that nasty dance (whacha gonna do)  
Do that nasty dance girl (do that nasty dance)  
Do that nasty dance

Ain't nothing like em' girls from the 305  
Out in M.I.A  
Mann they be so live  
They do that freak nasty dance  
With an island twist  
Put her booty on yo dick  
Now you smiling and shit  
Carolina, Tennessee and Alabama mann  
They do it different  
But they all got a nasty dance  
Where them fat girls at?  
Where that pimpin' at?  
Is it Nashville?  
Tell me where that Memphis at?  
You can go to Ohio  
Anywhere in Indiana  
Yea them midwest girls  
Do it just like Alabama  
They even dancing nasty in the D  
They be bouncin' and shakin'

They asses in the street  
All em' westside hoes  
And em' eastside bitches  
They just do it for the money  
We don't burn no bridges  
You know I can't forget  
The southside cuties  
Go Chi-town  
Girl bounce that booty (Bitch)

Do that nasty dance (whacha gonna do)  
Do that nasty dance girl (do that nasty dance)  
Do that nasty dance

The Westcoast is bouncin'  
Eastcoast is bouncin'  
New York and L.A.  
Shake it all around, bitch  
From New Jersey to the Frisco Bay  
Down South ain't the only place  
They dance that way  
New York invented rap  
Cali made it gangsta  
Midwest gave it soul  
And the whole world thanks ya  
But when the South brought that bounce  
All the fans went crazy  
It's so sexy even ladies  
Wanna dance with the ladies  
Seen a lot of stiff hoes  
Couldn't freak to the beat  
I know she seen the videos on B.E.T.  
And even tho you might think  
She ain't doing it right  
If she keep shakin' like that  
I'm a do her tonight  
I fuck with Black girls  
White girls  
Asians and Spanish girls  
Do that nasty dance  
I love the way you dancin' girl  
I was finna leave and started  
Feeling the love, bitch  
You the only reason  
I'm still in the club  
Let's go

Do that nasty dance  
Do that-do that nasty dance girl  
Do that nasty dance (whacha gonna do)  
Do-do that nasty dance
