I see you with them fake niggas (I see you)
Eatin' soup, you eatin' no steak with us ('Cause you broke)
You a Top Ramen eater
Got a money-makin' ho, why you wanna beat her?
(And you hella fake)
Nigga, show her how to bust them routes
What you talkin' 'bout runnin' your fuckin' mouth?
You need to chill (Shut up) while I tell a story
'Cause you broke right now and never before
Have you ever (You ain't ever) got a dime from a ho
If you ain't gon' pimp, then it's time to let her go, nigga
I ain't jokin', hell nah, I ain't playin'
If you a P, you supposed to know the rules of the game
(Of the game)
'Cause I'ma ride 'til the wheels fall off
It's nothin', I'll take a real tall broad
And work that bitch 'til she's short
I give a fuck where she's goin', that bitch just gotta go
(She gotta go)

It's Pimp School
Pimp, Pimp, Pimp School
Gimme the bitch
Gimme the bitch
It's Pimp School
Pimp, Pimp School
Gimme the bitch
Nigga, gimme the bitch

Yeah, I'm fly (Hella fly), there's no dispute
Some new chains, I buy another watch or two (A new Rollie)
Somethin' with a lotta diamonds
It's on her (The bitch), I ain't gotta buy it
I know the game, I tell a bitch "Go harder"
She better swim like a fish in the water (Swim, bitch)
But she's a real go-getter
When I met her, she only had to give me four figures (Now I'm rich)
Now she tell the world I'm her nigga
She used to be your bitch now you feelin' bitter
It's Pimp School (Pimp School), I'm passin' out booklets
Beat so hard, I don't need no hook, bitch (Bitch)
You see these ladies behind me
If you listen to my songs from the '80s and '90s
You fuck around and might learn somethin'
In the meantime, roll it up and burn somethin'
(Smoke somethin', bitch)

It's Pimp School

Pimp, Pimp, Pimp School
Gimme the bitch
Gimme the bitch
It's Pimp School
Pimp, Pimp School
Gimme the bitch
Nigga, gimme the bitch

You gon' bend her or you gon' send her?
You ain't doin' nothin' wit' her, might as well lend her
Gimme the bitch
Gimme the bitch
You gon' bend her or you gon' send her?
You ain't doin' nothin' wit' her, might as well lend her
Gimme the bitch
