

She Know

Too \$hort

I know she know I ain't shit
But I like the way she suck my dick
I know she know I'm a dogg
But I like the way she Licks my balls
Man can she suck a dick or what?
She's got me knocking over shit,
Waking them up her fat ass kids up,
I'm telling them to go back to bed,
I'm sitting here reminiscing on this bomb ass head
The whole time got a nigga stuck for real
I'm having real visions of busting one on her grill
She craves for my nut in her leranix after me you gotta do
