

Sucka Shit

Too \$hort

You an ATM-ass nigga
A how much you spend-ass nigga
She treat you like a dumb-ass nigga
You the bitch best friend, huh, nigga?

We players against sucka shit
Fuck your fake ass and fuck a bitch
I done had enough of this
We gon' end it right now, no more sucka shit
Let's go (let's go, bitch), get away from here
You say that to your girl almost every year
Everything on you, you say that's fine
But she treat you like shit the whole time

If I'm on a trip with a bitch, she be suckin' my dick
You got a suite, you ain't even fuckin' that bitch
You just let her go shoppin', it's no stoppin'
She spendin' all your money, she still swipin'

She got a lot of bags, not a thing for you
Lot of brand-new shit, it all came from you
You should treat yourself like you treat her
You'll be born again, it's like a rebirth

You a player now, you not a sucker no more
From now on, it's free when you fuck with a ho
You got the game from short, dawg, go put it to work
And spread the truth all over the Earth

Bitch, you an ATM-ass nigga
A how much you spend-ass nigga
She treat you like a dumb-ass nigga
You the bitch best friend, huh, nigga?

We players against suckers, shit
Fuck your fake ass and fuck a bitch
I done had enough of this
We gon' end it right now, no more sucka shit
It's okay, you wanna be her man
You likin' all her pics when you on the 'Gram
You be lookin' at her girlfriend's pages too
Is it true everything they say, they do?

Lot of chicks in her crew and they all be hot
Always V.I.P. when they hangin' out
What a sucker like you gon' say to them?
You say you him, but your clothes came from H&M

And she get everything she want from the Gucci store
You don't even know what that coochie's for
Now you beggin' that bitch to please fuck you more
Why you eatin' her pussy, lookin' up from the floor?

Don't be a sucker, you better change your ways
You ain't from here, you can't claim the bay
Tryna figure this out, it's not too late
You still trickin'? Well, I can't relate

'Cause you a ATM-ass nigga
A how much you spend-ass nigga
She treat you like a dumb-ass nigga
You the bitch best friend, huh, nigga? (For sure)

We players against suckers, shit
Fuck your fake ass and fuck a bitch (fuck a bitch)
I done had enough of this
We gon' end it right now, no more sucka shit
No more sucker shit
