Try to burn the shop down lil pussy cunt

Three hundred thousand dollars worth of cars in the front

Same block I bought buse and mac dre

Same shop my gold and platinum plaque hang

Same corner I used to sell marijuana

Running marathons on your bitch boy you still want her

I'm not a biter I'm a writer for myself and others

If I say a dre line I'm bigging up my brother

Big enough to do it big in up my burrough

Plus I know my own rhyme and still foolish stupid hyphy movement
