First she gotta get at least three chicks  
Ass so big make ya seasick  
Bootie got waves like the ocean  
Hit the ground and the sound was an explosion  
That stiff ass dance don't work  
Jump in line, you better know how to twerk  
Get on the train and shake that thang  
'Cause your bootie gon' make you famous  
All females and they all fine  
Single file at the conga line  
All aboard, get on the twerk train  
Middle of the night, 2:13  
Don't matter if it's afternoon  
The twerk train gone come back soon  
You better be right up front, number one  
You gotta ride that bootie if you want some

Twerk train (Ayy)  
I fuck, you fuck, she fuck, we fuck, break  
Twerk train (Ayy)  
My turn, my turn, my turn, pussy on me (On me)  
Twerk train  
I fuck, you fuck, she fuck, we fuck, break  
Twerk Train  
Your turn, your turn, your turn, pussy on me (On me)  
Twerk train

Roll up to the party, step out the Ferrari  
Lookin' like a Barbie, Givenchy, Bulgari  
Skater girl, gnarly, smokin' Bob Marley  
Then a little Charlie, ride it like a Harley  
Do this every other night, live my motherfuckin' life  
Baddest fuckin' bitch alive, twerkin' like it give me life  
Pop it to the beat then I drop it quick  
Get a lot of pussy and a lot of dick  
I'm the hottest chick, from the block and shit  
But now I'm laughin' to the bank, got a poppin' crib  
Rubicon shoe closet, Rolly on my wrist  
Twerkin', show-stoppin', yo, that's how we live
