

## Culling Voices

Tool

Disembodied voices deepen my suspicious tendencies  
Conversations we've never had  
Imagined interplay  
Psychopathy. Don't you dare point that at me

Heated altercations we've never had, (or) so I'm told  
Yet guided by them all  
Every single one

Psychopathy  
Misleading me over and over and over

Judge, condemn, and banish any and everyone  
Without evidence  
Only the whispers from within

Psychopathy  
Misleading me over and over

(Imaginal interplay, Imaginal interplay)  
(Psychopathy) Don't you dare point that at me

(Don't you dare point that at me)  
(Don't you dare point that at me)  
(Don't you dare point that at me)  
Don't you dare  
Don't you dare  
Don't you dare point that  
Don't you dare  
Don't you dare  
Don't you dare point that at
