Demon Cleaner

Tool

I've got the demons with in
I've got to brush them all away
I feel the demon's rage
I must clean them all away,
yeah, yeah [with echo]

excite to scream them away
cobwebs in the way
that magic cleaner oh,
shine his smile on me
yeah, yeah [with echo]

I am the demon
cleaner who saves the day
I get the backwall
and important they'll always stay
yeah, yeah [with echo]

if only one thing that you know
imposters from the show
they'll try to trick you into
normal treatment
oh don't you listen to them say
shush them all away
I am the demon cleaner
madman so,
I am the freedom cleaner
standing naked here to say
I'm the only way
I'm the only way
I'm the only way
I'm the only way
