

Treat her like a lady but I fuck her like a hoe  
Baby I got plenty, you should know  
Wanna hang witcho ladies, okay bae you can go  
Just call me when you on your way back home

Bad bitches, yeah, she only hang wit bad bitches  
She know I'ma savage so I only hang wit savages  
Stick out when we ridin' in the car  
If a nigga play wit me then it's a stick up, I'ma take this shit too far  
She know that my lovin' too hard  
She had her guard up on a nigga  
She been hard on a nigga  
She know that I always play my card  
Baby a butterfly, she gon' and spread them wings when I'm in her

Thought I was loyal to the game, but instead I found a way  
She gotta fat ass I'm in love wit her shape  
But that ain't why a nigga wit her though, I swear I love her face  
That's my ace boon coo, my main ace  
I fell in love wit my best friend  
She hold my hand and it feel like we together 'til the end  
You the answer to my problems, you my rib  
So to be honest, baby you the reason why I live

Treat her like a lady but I fuck her like a hoe  
Baby I got plenty, you should know

Before I met you, other one that I was wit left me for dead  
And that kind of fucked me up in the head  
She know I love her, that's why every time I get it I break bread  
'Cause you can go and be wit somebody else instead  
I'ma be around 'til the end  
And if they play witchu, I'll mask up wit the gloves on and I'll go ahead and spin  
Love you so much I'd be around as your friend  
But I know you love the way I beat it up and eat it up, I get it in
