Toosii

I done been through some things  
Karma said pay up  
If you owe me money  
Then you better pay us  
For the boys get to dump it  
Ima mark where you lay up  
Lord forgive me foreal foreal  
Cause karma gone pay us

I done been through some things  
Karma said pay up  
If you owe me money  
Then you better pay us  
For the boys get to dump it  
Ima mark where you lay up  
Lord forgive me foreal foreal  
Cause karma gone pay us

I done been through it all foreal foreal

Cause he water whippin a brick in the kitchen  
Better been trappin a minute now  
Call that minute man  
He got the goodie bags foreal  
From the trenches foreal  
So it's only right that we give em back foreal  
If we pick a pocket  
When we pick a pocket  
There ain't no giving back foreal  
Watch a shit back  
Then come get it back but you getting mad

I done been through some things  
Karma said pay up  
If you owe me money  
Then you better pay us  
For the boys get to dump it  
Ima mark where you lay up

Cause karma gone pay us

I done been through some things
