

She like somebody who nasty
Well I'ma be there when the time come
I'ma sapiosexual we can flexible baby girl I'll make yo mind cum
Inside, you can let me inside let you know when yo ride come
And we can go round after round I be beating you down
I'ma nut but I'm not done
She like I'm tryna be next to you I ain't with texting you
They just be stressing you
You give me part of you I feel like part of you baby girl I need the rest of
you
You said you done had tough love
Know yo body in pain girl that's why I'm caressing you
I know I ain't no God but cover my life girl I'm gon' end up blessing you

Talk to me about yo problems
Hood nigga from the projects
He got rich off the pyrex
Cool on the lean Wockhardt or the Hi Tech
Oh that nigga be beating you down huh
But tell em' that's not sex
All of that quick stroking he doing he fuck like a rabbit
Don't worry I'm like that
Tell em' he gotta slow down
Lick from yo ear to yo back with it
Deep strokes but he be wack with it
Got a big dick know he ain't packing it
I said oh na na take my dick
Yo pussy I'm slapping it
Each stroke got you scratching it
Throw it back baby put yo back in it

She like somebody who nasty
Well I'ma be there when the time come
I'ma sapiosexual we can flexible baby girl I'll make yo mind cum
Inside, you can let me inside let you know when yo ride come
And we can go round after round I be beating you down
I'ma nut but I'm not done
She like I'm tryna be next to you I ain't with texting you
They just be stressing you
You give me part of you I feel like part of you baby girl I need the rest of
you
You said you done had tough love
Know yo body in pain girl that's why I'm caressing you
I know I ain't no God but cover my life girl I'm gon' end up blessing you

You need a nigga that's gon' hold it down
Don't trip when them hoes be around
Give you dick for a fact know I got your soul now
No I won't hold out
Think it's safe to say I treat you better bae
I eat you better bae
I'm just the better bae
Ain't the good thing I'm with whatever bae
On whatever day
In whatever way
I know you want good sex
Tired of em' he on bullshit

Fake like he hood rich
Ain't ready for no hood bitch
Type to make the hood sick
He probably the neighborhood snitch
And I can give you eight inches
He can't even give a good six
He can't even give a good six
Oo-chie wally bang baby
Open yo legs I give you good licks
You ain't never met a nigga like me
Girl I ain't bullshit
Take you where my hood is
Show you what a hood is
Tough love ain't so tough
I'm giving you good dick

She like somebody who nasty
Well I'ma be there when the time come
I'ma sapiosexual we can flexible baby girl I'll make yo mind cum
Inside, you can let me inside let you know when yo ride come
And we can go round after round I be beating you down
I'ma nut but I'm not done
She like I'm tryna be next to you I ain't with texting you
They just be stressing you
You give me part of you I feel like part of you baby girl I need the rest of
you
You said you done had tough love
Know yo body in pain girl that's why I'm caressing you
I know I ain't no God but cover my life girl I'm gon' end up blessing you
