

windows down

Toosii

In California on the beach right now
Maybe we could fuck and let the windows down
I know what I'm missing what I need right now You know if you c
all me then I leave right now

I buy her Prada, my Prada bae
These hoes got a lot to say
I'ma drip her in Avianni skirt out in the lot today
Two tone AP bussin' out the bezel
I done seen a lot of shit but in that dress I see a devil
I can't take her on a date if she ain't tryna wear stilettos ye
a No rockstar but she know I keep heavy metal yea Calamari don'
t do it, know some shooters and movers I'ma six figure nigga st
epper go for raman noodles And she can't never say she don't li
ke the way I do it Cause I'm still gon' put it down even when w
e get into it Say she got a thing for rap niggas I know
Why you say that?
Cause I'ma rap nigga fasho

California on the beach right now
Maybe we could fuck and let the windows down
I know what I'm missing what I need right now You know if you c
all me then I leave right now

Tell her what she wanna hear and still do what I do I'ma tell h
er I never met nobody who fine as you Ain't a boxer but you kno
w that I stick and then move Other niggas lame they try too har
d to keep it cool
I ain't tryna make her bae
I put diamonds in her face
Crushed ice Ricchezza on the socks to run the game Probably be
with my side bitch and run into my main Bitch I'm too player pr
obably run a bitch insane Lowkey don't play around if you don't
know me
A youngin but I be with OG's
That was the old me
I still remember what you told me
And I never be where these hoes be

California on the beach right now
Maybe we could fuck and let the windows down
I know what I'm missing what I need right now You know if you c
all me then I leave right now
