Control  
Give a little love, it takes some time  
Ego  
The apple on a tree, or a bite of a bee  
Breathe slow  
Give a little more and then you'll see  
Are you positive or positively  
Get it, get it, get it, and you're free

And you will never know until it takes  
Take cover, take cover

Hey mother  
Hey father  
I will survive  
I'll take a risk this time  
Hey sister  
Hey lover  
I made a decision  
I'm only two steps away

This time I'm playing the river  
I'm playing the river  
Whoa-oh-oh-oh  
Yeah-eh  
Oh-oh

And you will never know until it takes  
Take cover, take cover

Hey mother  
Hey father  
I will survive  
I'll take a risk this time  
Hey sister  
Hey lover  
I made a decision  
I'm only two steps away

This time I'm playing the river  
I'm playing the river  
Whoa-oh-oh-oh  
Yeah-eh  
Oh-oh

Cut down  
The voice of prophets  
Their crimes, they washed it  
Their shiny objects  
A modern plot twist  
A modern plot twist  
A modern plot twist  
A modern plot...

Hey mother  
Hey father  
I will survive

I'll take a risk this time  
Hey sister  
Hey lover  
I made a decision  
I'm only two steps away

This time I'm playing the river  
I'm playing the river  
Whoa-oh-oh-oh  
Yeah-eh  
Oh-oh
