

A dagger drops like a pin in the moonlight  
Spoon fed, forked tongue, Jubilee birthright  
Charismatic doctrine of the king of the limelight  
Sacrifice the conceptual led kite  
Mary! Oh Mary! So where have you been?  
I've heard of Marduk & the Oedipus grin  
What happened to the rules of engagement?  
Work hard, play hard, starve hard, sacrifice

Well Up! Crawl Up! Tear Up!  
The coward in the bed  
Fake Art! Fake Art! Fake Art!  
The syndrome of the dead  
Well Up! Crawl Up! Tear Up!  
The coward in the bed, the syndrome of the dead

Peeling through cracks in time, prism in hand  
The King of limelight sacrifice, a brooding heart in stone  
Go ahead and start the fake art war  
And Michelangelo he played my heart in Rome  
Play the victim, die the victim, go ahead and start the fake art war

I'm only man, a chord and chance, a shell in sand  
The King of limelight sacrifice, a brooding heart in stone  
Go ahead and start the fake art war  
And Michelangelo he played my heart in Rome  
Play the victim, die the victim, go ahead and start the fake art war

The eyes of Marduk are the archetype!  
The eyes of Marduk are the archetype!  
As it pulls me under once again  
And I will meet you in the void (And I will meet you in the void...)

Well Up! Crawl Up! Tear Up!  
The coward in the bed  
Fake Art! Fake Art! Fake Art!  
The syndrome of the dead  
Well Up! Crawl Up! Tear Up!  
The coward in the bed, the syndrome of the dead
