

# Beautiful Woman

## Toots and The Maytals

Yeah, she's such a beautiful woman  
And she have so many ugly men  
And when she go to the market place  
She'd leave all characters at home, oh

And she walk like a lady  
Act like a lady, don't ask me why  
But when she start her conversation  
Every one of her friends just cry of shame

Sing along  
Beautiful woman, beautiful woman, beautiful woman  
Beautiful woman will drive you crazy

Look here and here comes Billy  
And he's one of her ugly men  
He says, "Hello, friend"  
Then I began to tell the story  
About this beautiful woman that I have seen

Then Billy turns to me and said  
"She's like every woman, it's the same"  
Then I shake my head and said  
"No, let me tell you Billy, I can't believe  
Every woman could be the same"

Sing along  
A hey, beautiful woman, beautiful woman, beautiful woman  
Beautiful woman will drive you crazy

Look here, here comes good ol' Sam  
Come to town, met this girl, fall in love  
And the girl keep driving him crazy  
She just actin' like a lady for a short time

And she walk like a lady, act like a lady  
Don't ask me why  
I know when she get warmed up  
Then she get started  
Then she get crazy  
She'll take off every piece of her clothes in the street

Sing along  
Beautiful woman, beautiful woman  
Beautiful woman, beautiful woman  
Beautiful woman, beautiful woman, beautiful woman  
Beautiful woman will drive you crazy

Aha, beautiful woman, beautiful woman  
Beautiful woman, beautiful woman  
A beautiful woman, beautiful woman, beautiful woman  
Beautiful woman will drive you crazy

Aha, beautiful woman, beautiful woman  
Beautiful woman
