

# I Shall Be Free

Toots and The Maytals

I know, oh yes I know  
I know, oh yes I know  
I'm going to live to see everyone free  
I know, oh yes I know  
I know, oh yes I know  
I'm going to live to see everyone free  
I read the bible and I heard a song they sing  
Oh lord I heard them singing  
They're singing Amen  
But this is a little secret I know  
So I got to tell you all that I know  
I know, oh yes I know  
I know, oh yes I know  
I'm going to live to see everyone free  
Everyone shall be free  
I say faith can move mountains and love can set it free  
Faith and love combined and that's the way we have to be  
No one's from creation, it's each man's destination  
True Love and faith we all must have every day  
We will never grow old  
Everyone shall be free
