

Just Like That

Toots and The Maytals

Just like that, just like that

You are walking out of my room, just like that
Just like that, Just like that
You are walking out of my room just like that

Saw you packing up your things
All your jewelry and rings
So if you have to go
I won't say no

So you're packing up your things
All your diamonds and rings
But if you have to go
I won't say no
I say

Just like that, Just like that
You are walking out of my room just like that

Want you to know that I love you so
So if you have to go, if you have to go, if you have to go
I won't say no, no, no.
I miss you away but you don't want to stay
So if you have to go, if you have to go, if you have to go
I won't say no
Just like that, Just like that, Just like that
You are walking out of my room just like that

Just like that, just like that,
You are walking out of my room just like that
