

## Just Tell Me

**Toots and The Maytals**

Just tell me that you really love me true  
Then I will know just what to do  
Just tell me that you're in love with me  
Just tell me that you really love me true  
Then I will know just what to do  
Just tell me that you're in love with me  
And I will know that you want me dilligently  
There is nothing in this world that I wouldn't do for you  
There is nothing for you to pray to force me to do  
Won't you tell me that you love me true  
And I will know just what to do  
Because I, I, I, I, I love you  
Sing it again  
La la la la la la la la la la
