

Redemption Song

Toots and The Maytals

I, I've been left waiting,
You just keep on going.
I got to pray with all my heart,
While I sing redemption songs.
I got to pray with all my heart,
While I sing redemption songs.

Jeremiah saw it.
Mordecai saw it, oh yeah.
Joshua talk it, talk it, talk.
Moses preach it.

He said, it's just the word,
That God speakest from my mouth,
That hurts your heart.

It's just the word,
That God speakest from my mouth,
That hurts your heart.
