

# Sailing On

Toots and The Maytals

Hey hey  
Now, everybody clap your hands  
Let me hear you say

Sailin On  
Sailin On  
I can hear sweet vibes a singin'  
And I can hear sweet music a playin'  
While I'm Sailin' On  
While I'm Sailin' On  
I wish you were there with my while I'm sailin' on

Lingering on  
I'm just lingering on  
Well I can hear sweet vibes a singin'  
And I can hear sweet music a playin'  
La la la la la  
La la la la la  
I wish you were there with my while I'm sailin' on

Woah, it may be spring, summer, autumn, winter  
All I know two of us gon' to lay our head  
And don't feel it  
Yeah yeah yeah  
Baby, it may be morning, noon, or night  
Spring, summer, autumn, or winter, yeah  
All I know, you gotta tell me which do you prefer  
While I'm...

Lingering on  
Sailin' On  
Oh I wish you were there with my while I'm sailin' on  
Hey let me hear you, put your hands

Hey man, you gonna give me some more to sing?  
Yeah sure man, ya got soul man  
Alright  
Well comon, let's sing

Hey, it may be spring, summer, and autumn, winter  
Nay nay nay  
All I know two of us gonna put our head  
And don't feel it tonight-night-night  
Hey, let me tell you  
Baby, it may be morning, noon, or night and  
Spring, summer, autumn, or winter, any one girl  
You gotta tell me now which one you gotta prefer  
While I'm just...

Sailin' On  
Sailin' On  
Whoo!  
Oh I wish you were there with my while I'm sailin' on
