

# Heartbeat

Topmodelz

I woke up early this morning, feeling a new side of my life  
The sun was shining, you were on my mind  
Everytime I think about you, I feel so alive  
I wish I could hold on to you forever  
Forever, forever, for-e-e-e-ever

When I feel my heartbeat forever  
When I feel my heartbeat forever

When I feel my heartbeat forever  
When I feel my heartbeat forever

When I feel my heartbeat for-e-e-e-ever

Everytime I think about you, I feel so alive  
I wish I could hold on to you forever  
I woke up early this morning, feeling a new side of my life  
The sun was shining, you were on my mind  
Everytime I think about you, I feel so alive  
I wish I could hold on to you forever  
Forever, forever, for-e-e-e-ever

When I feel my heartbeat forever  
When I feel my heartbeat forever

When I feel my heartbeat forever  
When I feel my heartbeat forever

When I feel my heartbeat forever  
When I feel my heartbeat forever, forever
