

St. Elmo's fire

Topmodelz

Growing up you don't see the writing on the wall
passing by moving straight ahead you knew it all
but maybe sometimes if you feel the pain
you'll find you're all alone everything has changed
I can make it I know I can
you broke the boy in me but you won't break the man

I can see a new horizon underneath the blazing sky
I'll be where the eagle's flying higher and higher
gonne be your man in motion all I need's a pair of wings
take me where the future's lying St. Elmo's fire

I can see a new horizon underneath the blazing sky
I'll be where the eagle's flying higher and higher
gonne be your man in motion all I need's a pair of wings
take me where the future's lying St. Elmo's fire
I can climb the highest mountain cross the wildest sea
I can feel St. Elmo's fire burning in me
