

Diamond Look

Tops

Diamond look, ring of lies
They just want you for your pretty eyes
He dress so pretty and right
He think he's fierce in the heart
He thinks of nothing at all
Even the pretty boys fall

Diamond look so bright and so shiny
He's the greatest lover of all
He don't sing and he don't do nothing, no sir
But put his face out
Pretty boy you're sharp and so dashing
Beg your lovers to stand up tall
Star lights, are bright like a diamond in the sky

Making love, in the night
She just want you cause you look alright
He think he's fierce in the heart
She thinks of nothing at all
The diamond look at the ball

Diamond in the sky, diamond in the sky oh, whoa, whoa
Diamond in the sky, diamond in the sky oh, whoa, whoa
