

## Driverless Passenger

Tops

I need you  
Don't tell me  
Say it's not so  
I won't look to that side  
When I know that you're no longer mine

The daylight already decided  
Somehow reminded of you  
The tear on my eyelid  
The tear I was hiding

I miss you ohhh  
Missing without information  
Listening to nothing  
Fearful of changing the station

The streets wind  
Already divided  
Somehow reminded of you  
Driverless passenger  
Lashes reception breaks through

Scared cause I know I'm alive  
Long gone  
Lost in the shiver I cry  
Is that you?  
Is that you there?  
Affectionate one I'm so scared  
Is that you?  
Is that you there?  
Affectionate one I'm so scared
