

Party Again

Tops

(I just can't live
I just can't live)

I just can't live without hope
Sometimes you gotta let go
Sometimes you gotta say when
(I just can't live)
I just can't live without friends
When will we party again?
Missing the touch of your skin
Day (day) night (night) nothing seems right
I'm losing it

So bad I want to completely
He's dying to see me again
This must be some kind of joke

I just can't live without hope
Sometimes you gotta let go
Sometimes you gotta say when
(I just can't live)
I just can't live without friends
Today's another dead end
Just wanna wake up in your bed

Day (day) night (night)
Dressing up again pretty
Day (day) night (night)
Nobody else in the city

So bad I want to completely
He's dying to see me again
This must be some kind of joke

I just can't live without hope
(I just can't
I just can't)
Sometimes you just gotta let go
Sometimes you gotta say when
(I just can't
I just can't)
I just can't live without friends
When will we party again?
(I just can't
I just can't)
How long has it been
Sometimes you gotta say when
(I just can't
I just can't)
I just can't live without friends
When will we party again?
