Too Much

Tops

Ooh-ooh, ooh, ooh-ooh
Ooh-ooh, ooh, ooh-ooh

A lonely nature occupies me (Too much)
Time elapsed since you and I been (Too much)
Space, mistrust

This touch is just too close for us
I don't want what you want
(Too much, too much)
(Too much, too much)
Sometimes I wish I'd fall for love
I don't want anyone
(Too much, too much)
(Too much, too much)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)

Truth is you've been talking just a little (Too much)
How you been stuck in the middle (Too much)
Wait, that's enough

This touch is just too close for us
I don't want what you want
(Too much, too much)
(Too much, too much)
Sometimes I wish I'd fall for love
I don't want anyone
(Too much, too much)
(Too much, too much)

Not enough to understand this
Emptiness in what you're sayin'
Oh, come on, take me for granted
When did our love make me this way?
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)

Watch you bending out of shape (Too much)
In this figure-eight we keep on pacing (Too much)
Get it straight, don't discuss
This touch is just too close for us

Not enough to understand this
Emptiness in what you're sayin'
Oh, come on, take me for granted
When did our love make me this way?

Baby, ooh, you took your chance you had it
It's just too much, too little, too late
When did our love make me this way?
It's just too much, too little, too late
Peace
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)

(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh, ooh-ooh)
(Ooh-ooh, ooh-)
