

Hurts Me In The End

Tor Miller

Why do I wanna be a friend?
Why do I ask you to pretend?
Why do I only want something that's only gonna hurt me in the end?

Why do I come to your defense?
A time and time again?
Why do I only want something that's only gonna hurt me in the end?

We've been at it for so long, it's blinding
The way we were was just so damn exciting
And I know I was dead wrong in denying
That what we had was merely fantasizing
Now I'm coming undone
Why do I only want someone who's gonna hurt me in the end?

And the writing's on the wall
And I refuse to comprehend
Why do I only want something that's only gonna hurt me in the end?

We've been at it for so long, it's blinding
The way we were was just so damn exciting
And I know I was dead wrong in denying
That what we had was merely fantasizing
Now I'm coming undone
Why do I only want someone who's gonna hurt me in the end?

Now I'm coming undone
Why do I only want someone who's gonna hurt me in the end?
