

# Let Us Be One

Tora Tora

Angel eyes  
Looking for life's meaning  
Answer lies between  
Circumstance and seasons  
Keep us numb under their thumb  
And preach for us to medicate  
Keep a psalms  
And bring on a storm from the calm  
Introduce them to their judgment day  
One voice  
One voice can bring a change  
One choice  
One choice can bring a better day  
Rise up and be free

Let us be one

Anger smiles  
At tears of the grieving  
Innocent children  
Need to see us healing  
They keep us split  
Tighten their grip  
While keeping up a good charade  
They hide behind a mask they design  
To keep their penitence paid  
One voice  
One voice can bring a change  
One choice  
One choice can bring a better day  
Rise up and be free

Let us be one

Stranger smiles  
Serves someone who needs it  
Your savior guides  
Through all your darkest season  
One kind word  
Can leave a soul stirred  
If I can only make you listen  
One moment of trust  
Break from their clutch  
Change all of our existence  
One voice  
One voice can bring a change  
One choice  
One choice can bring a better day  
Rise up and be free  
One voice  
One voice can bring a change  
One choice  
One choice can bring a better day  
Rise up and be free
