

Bishop in Arms

Torche

The eyes will follow more
Trapped in a thought
Invading what's gone

Calming a heart starts
In love with your pride
Outlasting the dawn

Hide the devil
Pin the tail
Paved a trail
All unbearable

Bishop in arms
Naked on charms
Are folded calmly
Apparently

Hide the devil
Pin the tail
Paved a trail
All unbearable

Hide the devil
Pin the tail
Paved a trail
All unbearable

Bishop in arms
Naked on charms
Are folded calmly
Apparently
