

## Hellion

Torche

Plant your seed and grab hold  
Neglect to raise with fear  
Too long trade on trial  
And watch them disappear

So young  
With no caution  
Hellion  
Who knows why?

Rocked the concrete canyon  
Uphold no law by fear  
Ripped the tooth from the hunter  
And watch them disappear

So young  
With no caution  
Hellions  
Who knows why?
