

## Minions

Torche

High brow tradition  
Let's discover restricted

Few misguided reasons  
Some day proved  
We'll all see them

White powered duchess  
Kind to some new prospects

Come by minions  
And soon be mine  
In the millions [?]

Tired and stunned mad poets  
Crew of yes men cashed puppets  
Key to the selector  
Tied to your weakest defender

Come by minions  
And soon be mine  
In the millions [?]
