

On the Wire

Torche

Half sleeping with one open eye
It gets so damn heavy on the mind
I can't hold my head up off the ground
Not moving, tried to make a sound

Today on
Sits still
On the wire
Don't take it off
Wise up
Reigns over law

The damage makes it all worthwhile
When searches lead us to the sign
The sign

Today on
Sits still
On the wire
Don't take it off
Wise up
Reigns over law

Today on
Sits still
On the wire
Don't take it off
Wise up
Reigns over law
