

Cactus Practice

Tori Amos

[Tori:]
Maybe he and I

[Anabelle:]
Are like a pair of suns
That are captured

[Tori:]
Maybe he and I are like a pair of suns
That are captured

[Anabelle:]
Eternally linked into chasing
Each other's spin

[Tori:]
Eternally linked into chasing
Each other's spin
Bound by beliefs

[Anabelle:]
That have become steel cords

[Tori:]
Why the disharmony?
Let's resynch my world
With a harmonic defiance I'll face this

[Anabelle:]
I'd like to induct you into
The drink of the cactus practice
Cactus

[Tori:]
Cactus

[Anabelle:]
Practice

[Tori:]
Will you induct me into
The drink of the cactus practice?
Cactus

[Anabelle:]
Cactus

[Tori:]
Practice
Are you saying I'm

[Anabelle:]
Reactive but I can work with a doll face

[Tori:]
Every couple has their version of what they call the truth
Every couple has their version of what they call the truth

Call all that lies

[Anabelle:]
Beneath both stories

[Tori:]
Back to my fire

[Anabelle:]
Embrace what you find

[Tori:]
With a harmonic defiance I'll face this

[Anabelle:]
It's time to induct you into
The drink of the cactus practice

[Tori:]
Cactus

[Anabelle:]
Cactus

[Tori:]
Practice

[Anabelle:]
I'd like to induct you into
The drink of the cactus practice

[Tori:]
