

# Devil's Bane

Tori Amos

A shot of tequila  
I keep walking  
Let it pass that diabolical train  
Yes, I have drunk  
From that Devil's Bane

And I barely survived  
Barely got out with my life

Shame shame  
He's screamin' at me  
Shame shame  
Thinkin' I'll let you leave

Shot of tequila  
Wash me clean  
From his sermons and conspiracies  
And he was good  
At turning me against me

Me doubting Venus  
All the while he's preachin'

Shame shame  
On your Jezebel breed  
Shame shame  
You need purifying

And I barely survived  
Barely got out with my life

Next train when it comes again  
If it's filled with lies and corruption  
Lord, send it on  
Next train when it comes again  
If He's lookin' for a  
A Queen of Poison  
Lord, send it on

Your soul he's seekin'  
All the while he's preachin'  
Preachin'  
Shame shame  
On your Jezebel breed  
Shame shame  
He's screamin' at me  
Shame shame  
Planting your wicked seed  
Bride of Christ  
Darlin' you'll never be

Barely got out with my life  
And I keep runnin', runnin', runnin', runnin' still  
And I keep runnin', runnin', runnin', runnin' still  
From that Devil's Bane  
Keep runnin', runnin', runnin', runnin'
