

# Knocking

Tori Amos

Who could it be, could it be, could it be knocking, knocking, k  
nocking?  
Who could it be, could it be this time?  
Who could it be, could it be, could it be knocking, knocking, k  
nocking?  
Who could it be at the kitchen door?  
Who could it be, could it be knocking, knocking, knocking?  
Who could it be, could it be, could it be this time?  
Who could it be, could it be, could it be knocking, knocking, k  
nocking?  
Who could it be, could it be at the kitchen door?  
Kitchen door  
We've been waiting for this  
We've been waiting for  
Shimmer shimmer shimmering  
Shimmer shimmer shimmering  
Who could it be, could it be knocking, knocking, knocking?  
Who could it be at the kitchen door?  
At the kitchen door
