Glue
Stuck to my shoes
Does anyone konw why you play with an orange rind
You say you packed my things
And divided what was mine you're off to the mountain top
I say her skinny legs could use sun
But now I'm wishing
For my best impression
Of my best Angie Dickinson
But now I've got to worry
Cause boy you still look pretty
When you're putt the damage on

Don't make me scratch on you door
I never left you
For a banjo
I only just turned around for a poodle
And a corvette
And my impression
of my best Angie Dickinson
But now I've got to worry
Cause boy you still look pretty
When you're putting the damage on

I'm trying not to move It's just you ghost Passing through I said I'm trying not to move It's just your ghost passing through It's just your ghost Passing through And now I'm quite sure There's a light in you platoon I never seen a light move LIke yours Can do to Me So now I'm wishing For my best impression of my best Angie Dickinson But now I've got to worry Cause boy you still look pretty But I've got a place to go I've got a ticket to your late show And now I'm worrying cause even still You sure are pretty When you're putting the damage on When you're putting the damage on You're just so pretty When you're putting the damage on
