

# Reindeer King

Tori Amos

Crystal core  
Your mind has been divided from your soul  
Now you say you are that stranger on your shore  
Grief it brings need the naked freeze caught in the frost  
Numb unbearable thoughts your inner need fire not lost  
No way  
Not lost

I've just come from the Reindeer King  
He says, "your purity of soul, crystalline"  
Gotta get you back to you  
Get you back to you  
You gotta get you back to you  
Get you back to you  
You  
You  
You  
You  
You

Crystal core  
You are at the still point of the turning world  
The divide fearing death desiring life  
Ice you were the one most tender with the rivers  
You the roof of the waves layer after layer  
After layer

I've just come from the Reindeer King  
He says, "your purity of soul, crystalline"  
Gotta get you back to you  
Get you back to you  
You gotta get you back to you  
Get you back to you

You know that I would skate  
Skate all the way just to hold your hand  
To take away your pain  
You know that I would skate  
From Scandinavia  
All the way to the moons of Jupiter

With you  
You  
You  
You  
You  
Gotta get you back to you  
Get you back to you  
You gotta get you back to you  
Get you back to you  
You gotta get you back to you  
Get you back to you  
You gotta get you back to you  
Get you back to you

I've just come from the Reindeer King
