

# Sleeps With Butterflies

Tori Amos

Airplanes  
Take you away again  
Are you flying  
Above where we live  
Then I look up a glare in my eyes  
Are you having regrets about last night  
I'm not but I like rivers that rush in  
So then I dove in  
Is there trouble ahead  
For you the acrobat  
I won't push you unless you have a net

You say the word  
You know I will find you  
Or if you need some time  
I don't mind  
I don't hold on  
To the tail of your kite  
I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night  
This girl only sleeps with butterflies  
With butterflies  
So go on and fly then boy

Balloons  
Look good from on the ground  
I fear with pins and needles around  
We may fall then stumble  
Upon a carousel  
It could take us anywhere

I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night  
This girl only sleeps with butterflies  
With butterflies  
With butterflies  
So go on and fly boy
