

# Star of Wonder

Tori Amos

We three kings are coming again  
Bearing gifts from the East  
From the East

Some say a star will rise again  
In the hearts of humankind  
Some say we have been in exile  
What we need is solar fire

Star of wonder, star of night  
Star of royal beauty  
Westward leading, still proceeding  
A star  
A star of wonder

We bring gold and myrrh for him  
From the East, frankincense  
From the East

Some say a star will rise again  
In the hearts of humankind  
Some say we have been in exile  
What we need is solar fire

Star of wonder, star of night  
Star of royal beauty  
Westward leading, still proceeding  
A star

Star of wonder, star of night  
Star of royal beauty  
Westward leading, still proceeding  
A star  
A star of wonder  
Of wonder.
