I thought it was Easter time
The way the light rose
Rose that morning
Lately you've been on my mind
You showed me the rope
Ropes to climb
Over mountains
And to pull myself
Out of a landslide
Of a landslide

I thought it was harvest time
You always loved the smell of the wood burning
She with her honey hair
Dalhousie Castle
She would meet you there
In the winter
Butter yellow
The flames you stirred
Yes, you could stir

I raise a glass Make a toast A toast in your honor I hear you laugh And beg me not to dance On your right standing by Is Mr. Bojangles With a toast he's telling me it's time To raise a glass Make a toast A toast in your honor I hear you laugh and beg me not to dance On your right standing is Mr. Bojangles With a toast he's telling me it's time To let you go Let you go

I thought I'd see you again You said you might do Maybe in a carving In a cathedral Somewhere in Barcelona
