

Oceans

Tori Kelly

I don't ever wanna go back there
If it's not up in your eyes, it's dry like bones
You're the water, you're the all that's there
You're the reason I'm alive, you feel like
O, o-o-o-o-o, o, o-o-o-o-oceans
Deep inside of your
O, o-o-o-o-o, o, o-o-o-o-oceans (Uh)

It feel like you the bedrock, you got my love in a headlock
Can't help myself, and I can't stop
I put my heart all up inside your hands, don't ever let go
You got me charged like a venmo
You draw me in like a pencil
I put my heart all up inside

So save me your love 'til the sun runs out
I'll place you above 'til I'm underground
What my eyes might see
What my life might be with you not around
Guess I'll never, ever, ever, ever know

I don't ever wanna go back there
If it's not up in your eyes, it's dry like bones
You're the water, you're the all that's there
You're the reason I'm alive, you feel like
O-o-o-o-o-o, o-o-o-o-o-o-oceans
Deep inside of your
O, o-o-o-o-o, o, o-o-o-o-oceans

No matter where I go, if you end up there
I know I found my way
No matter where I go all my life

So save me your love 'til the sun runs out
I'll place you above 'til I'm underground
What my eyes might see
What my life might be with you not around
Guess I'll never, ever, ever, ever know

I don't ever wanna go back there
If it's not up in your eyes, it's dry like bones
You're the water, you're the all that's there
You're the reason I'm alive, you feel like
O-o-o-o-o-o, o-o-o-oceans
Deep inside of your
Of your
O-o-o, o-o-o, o-o-o, o-o-oceans

Deep inside of your
O, o-o-o-o-o, o, o-o-o-o-oceans
Deep inside of your
O, o-o-o-o-o
O-o-o-o-o-oceans
