

## Personal

Tori Kelly

What am I gonna do with this heart,  
Catching all these bad arrows and darts?  
I don't wanna be lonely, but I know what I want

Maybe this train has run out of steam  
'Cause there's nothin' but nothin' 'tween you and me  
I don't wanna leave you lonely, but I know what I want  
And it ain't you no more

Spent my whole life looking for the one I could call  
Wasted all my time on you tryna make this beautiful  
But it's clear to see you don't love me at all  
Baby, go ahead and say it  
I won't take it personal

If you don't stop to count your blessings  
One day, you'll wake up and find them missing  
I don't wanna see you lonely  
But you've gotta know what you want

If you wanted love that's only pretend  
Baby, you should of bought a Barbie and Ken  
Well, my heart's not a toy to play with  
Now I know what I want  
And it ain't you no more

Spent my whole life looking for the one I could call  
Wasted all my time on you tryna make this beautiful  
But it's clear to see you don't love me at all  
Baby, go ahead and say it  
I won't take it personal

Ohh, yeah, yeah

But then again, maybe I will  
Did we do it all for the thrill?  
Or does part of you love me still?  
No, scratch that say goodbye  
Seal the deal  
Real is what you want now don't ya  
But I'm not the one now for ya  
This was already over before it began  
So walk away; be a man

Spent my whole life looking for the one I could call  
Wasted all my time on you tryna make this beautiful  
But it's clear to see you don't love me at all  
Baby, go ahead and say it  
I won't take it personal  
Wasted all my time on you tryna make this beautiful  
But it's clear to see you don't love me at all  
Baby go ahead and say it  
I won't take it personal

Ooh, yeah, yeah

What am I gonna do with this heart,

Catching all these bad arrows and darts?  
I don't wanna be lonely, but I know what I want
