Tormentor

Born in  
Is the sin  
Should I  
Be good for others  
Machines creating death  
Death seas, acid rain  
War  
Everywhere I look  
Murdering  
Is the pleasure of human  
They're not afraid of the underworld  
TORMENTOR  
They think that this world is the  
TORMENTOR  
Satisfaction  
In the dirty rubbish  
Death wish  
Has arrived  
Machines creating death  
Death seas, acid rain  
This world is really necrophilia and  
TORMENTOR  
In days this world will fall in deadly
