

## castaway\_tron\_hifi\_v2

Toro y Moi

Gettin' buzzed with such and such  
Smoke a blunt with such and such  
Just got a such and such

Chill son, I feel like Gary Wilson  
Mixed with Keri Hilson  
And I don't want any feels, son  
I know Wilson from Cast Away, Cast Away, Cast Away  
Cast Away, Cast Away, Cast Away

Every day I wake up and I don't even know what the time is  
Even if it matters, I don't even know, 'cause I  
Do it all, every day, all the time  
Do it all, every day, all the time

I'm the only one to hear you when you try to holla  
God, ain't that a shame  
Ain't that a shame  
Cast Away, Cast Away, Cast Away  
Cast Away, Cast Away, Cast Away

If I were left to my own devices (Woo)  
I don't know what I'd do, oh, ayy  
Every day I wake up and I don't even know what the time is  
Even if it matters, I don't even know 'cause I  
Do it all, every day, all the time  
Do it all, every day, all the time (Ayy)

You are not, you are not, you are not the sun  
Just blood and bones, just blood and bones (Ayy)  
You are not, you are not, you are not the sun (You're not the sun)  
Just blood and bones, blood and bones  
I don't wanna around it  
Already up in the front seat  
Been here since the last week  
Copicatting everything  
(Just blood and bones, just blood and bones, ayy)  
(Just blood and bones, just blood and bones, ayy)

Chill son, I'm Gary Wilson  
Mixed with Keri Hilson  
And I don't want any feels, son  
I know Wilson from Cast Away

I'm the only one to hear you when you try to holla  
God, ain't that a shame?  
Ain't that a shame?  
Cast Away, Cast Away, Cast Away  
Cast Away, Cast Away, Cast Away
