

# Undercurrent

Toro y Moi

Walking on the boulevard  
Five PM, I look down to avoid all the holes and the noise  
Recognize a name in a star  
No one-hit wonder, all their songs in the charts  
Nobody can touch 'em

I don't see shit  
I think I'm seasick  
Off the nonsense  
In a mosh pit  
Yeah I don't need you  
I can see through  
Yeah you see through  
I guess it's me too  
I push 'em off it  
All the nonsense  
In a mosh pit  
Okay I'm off it  
Yeah I don't see you  
I guess you're see-through  
Okay you're fucking with the Don, yeah me too  
I hit 'em off

Yeah, can you feel it?  
Can you feel it?  
Can you feel the undercurrent? (Current)  
I can hear you  
I can hear you  
I can hear you through the noise  
Can you feel it?  
Can you feel it?  
Can you feel the undercurrent?  
Can you hear it?  
Can you hear it?

Sherry showed me something at the lake  
I had a memory it falls down, and we watched it fall down  
Singing Sherry showed me how to catch the snake  
I had this memory it falls down, and we watched it go down  
It was  
All at once, all at once, all at once, all at once  
I'm in my head  
In my head, in my head, in my head  
I'm not alone  
Not alone, not alone, not alone  
I'm with my friends  
With my friends, with my friends, with my friends  
Stay on the line  
Show us some new songs  
Don't change your mind  
Mmm, what you want  
What you-

Yeah, can you feel it?  
Can you feel it?  
Can you feel the undercurrent? (Current)  
I can hear you

I can hear you  
I can hear you through the noise  
Can you feel it?  
Can you feel it?  
Can you feel the undercurrent?  
Can you hear it?  
Can you hear it?

I don't see shit  
I think I'm seasick  
Off the nonsense  
In a mosh pit  
Yeah I don't need you  
I can see through  
Yeah you see through  
I guess it's me too  
I push 'em off it  
All the nonsense  
In a mosh pit  
Okay I'm off it  
Yeah I don't see you  
I guess you're see-through  
Okay you're fucking with the Don, yeah me too
